KITTING
CAPABILITIES**

TSUBAKI SMART TOOTH™ SPROCKETS

TSUBAKI SMART TOOTH™ sprockets offer users the ability to identify and schedule drive system maintenance before critical component failure occurs. Strategic placement of our patented Wear Indicator pins on one or more sprocket teeth provides visual indication that a sprocket is still within the allowable wear tolerance, or that it needs to be replaced. When non-scheduled downtime is simply not acceptable, just look for the **BLUE!**
