

YOUR NEXT SPROCKET IS A **SCAN** AWAY

Tsubaki is putting you in control of requesting by allowing you to request a quote straight from the sprocket. All you have to do is scan a physical QR code on your Smart Tooth Sprocket to immediately submit a request for quote.

No more digging around to find old drawings or quotes. Tsubaki eliminates the hassles of sprocket reordering with a simple scan.

WHY TSUBAKI SPROCKET REORDERING IS SMARTER:

Reorder in Real Time

Using our Wear Indicator Technology, you can stay even further ahead of lead times and downtime by requesting a quote the second you notice your current sprocket is showing signs of wearing down.

Saves Time

With Tsubaki smart sprocket reordering, you can request a quote for your next sprocket in seconds straight from your mobile device. And you won't have to dig through your computer or stacks of paper trying to find a previous order; your order information is saved virtually.

Gives You More Control

We know keeping your operation moving is a necessity and to do that, we know timing on replacement parts are critical. Tsubaki's smarter sprocket ordering process keeps you in charge and in the know. Requoting has never been easier.
