

# Setting the Sprocket Standard

Choosing the right sprocket goes a long way in maximizing the life of your chain. For those seeking optimum performance, the choice is obvious.

All Tsubaki stock sprockets come with hardened teeth, delivering the quality necessary to keep your operation running stronger for longer.

## Why choose Tsubaki hardened teeth sprockets?

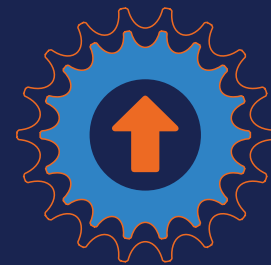

**Protects your chain**

**Saves downtime and replacement costs**

**Increases wear life**

**Can be used in heavy loaded applications**

**Ideal for high speeds**

**Works in tough and abrasive environments**
