# Cable carrier systems for cleanrooms
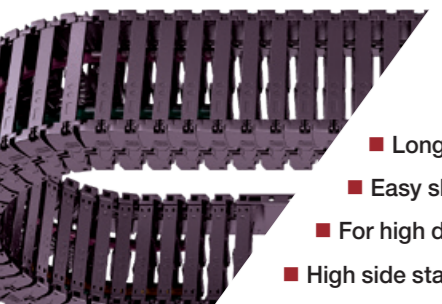

- Very low debris generation in the cleanroom series
- Low noise - 38 dB or less
- More than 10 million motion cycles (in-house test)
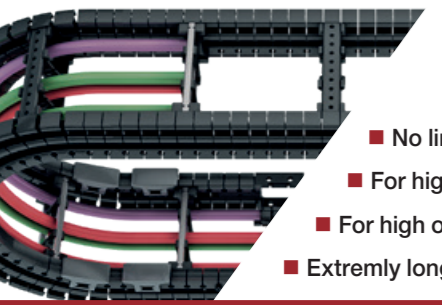

ISO Class 1 CLEANVEYOR®

- Freestanding flat cable
- Low noise - 38 dB or less
- Minimizes bouncing

ISO Class 2 FLATVEYOR®

- Long service life
- Easy shortening and extending
- For high dynamic applications
- High side stabiltity

ISO Class 3 TKR (TKR 200 ISO Class1)

- No links, no link wear
- For high acceleration up to 300 m/s²
- For high operating speeds up to 40 m/s
- Extremly long service life: ≥ 25 million motion cycles

ISO Class 3, 5 and 6 QUANTUM®

KABELSCHLEPP®

Costs down – service life up
## Cable management systems for cleanrooms

TSUBAKI KABELSCHLEPP develops customized solutions for cable carrier systems in cleanrooms. Our decades of experience from hundreds of realized projects in various industries with diverse demands on our cable carrier systems, leads to new custom and application-specific solutions for our customers. Our specialists will support you from the planning and design stage through to the onsite installation and start-up of the tested complete system.

Two axes CLEANVEYOR® ✓
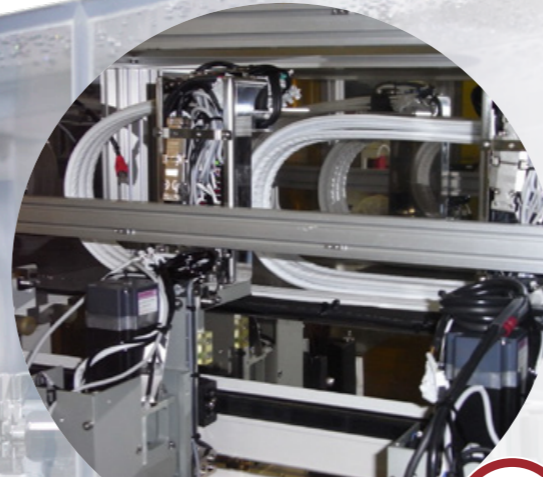

Vertical running QUANTUM® cable carrier ✓

Vertical running FLATVEYOR® ✓

TKR to avoid vibration ✓

QUANTUM® running with high acceleration ✓

Unsupported CLEANVEYOR® ✓

TOTALTRAX® Complete Systems
From planning to the final complete system

Use our know-how. Working jointly with you, our experienced specialists can provide pre-sale support, including planning and design services through after sales service and support.

One order, one contact person, components optimally matched to each other, including the cable and hose carrier, the electrical cables, the hydraulic and pneumatic hoses and the connectors. You receive the complete TOTALTRAX® system in one delivery.

Reduce your storage costs with TOTALTRAX®. We supply all components Just-In-Time to your production facility or directly to the installation site.

Supervised Installation Service

Let our engineering team provide on site support during the installation of the cable and hose carrier system. We can provide the additional support you might need to insure a flawless installation.

Want us to optimize your operations?
That's what we do.
