

Extra Large Chain for Extra Harsh Applications

Whether you're working in mining or cement, Titan® XL is your go-to for heavy-duty drives, conveyors, and elevators. Tsubaki's Titan® XL chains feature a unique Titan® pin coating, tailor-made specifically to extend wear in harsh engineering chain applications. This excels at delaying elongation, giving your chains longer life and keeping your production running smoothly and efficiently.

Why Choose Tsubaki Titan® Chains?

Provides tough performance in high debris environments

Delivers extended wear defense in harsh conditions

Maximizes production efficiency and uptime

Made for mining, cement, and heavy industrial applications

Provides an extra layer of corrosion resistance

Available on most Tsubaki Engineering Class Chain designs
