TOTALTRAX® Complete Systems

From planning to the final complete system

Use our know-how. Working jointly with you, our experienced specialists can provide pre-sale support, including planning and design services through after sales service and support.

One order, one contact person, components optimally matched to each other, including the cable and hose carrier, the electrical cables, the hydraulic and pneumatic hoses and the connectors. You receive the complete TOTALTRAX® system in one delivery.

Reduce your storage costs with TOTALTRAX®. We supply all components Just-In-Time to your production facility or directly to the installation site.

Ready-to-install solutions

- Purchasing and handling under one material number for assembly as original equipment and for spare parts orders
- No picking of individual parts and simplified logistics through ready-to-install cable carrier systems
- Delivery includes substructure or assembly brackets

Want us to optimize your operations?

That's what we do.
